

TARGA 35, årsmodell 2002/2013

Båten är i mycket gott skick.

Den har varje vinter förvarats i varmhall på Grebbestad Båtförvaring/Varv, och där blivit genomgången och servad. All utrustning som visat brist eller fel har direkt bytts ut.

Båten ägdes tidigare av varvets dåvarande ägare Per Bragé och förvärvades av mig 2019. Per köpte i sin tur båten direkt från Botnia Marin OY där den genomgått en total renovering.

Utöver utrustning enligt lista har båten av mig åtgärdats och tilläggsutrustats med:

Nya instrument av fabrikat Raymarin (2021)

- Plotter till styrhytt Axiom Pro RVX
- Plotter till flybridge Axiom 9
